Burqa obligation for both genders in Afghanistan Packed.

4 Afghanistan

In the Netherlands more than 96% of the population injected with CORVID 19 antigen Alfa what resulted in Group immunity. In Afghanistan ±50% (Only Woman) wear Burqa this isn't enough to realize group immunity this needs to be at least 96/100 %. So Burqa foremost comes infecting further of the CORVID 19 Virus it's so needed that both genders wear Burqa during all contacts.

Afghanistan is an Islam Right Form the force wished so, Time to prove their power by, Please Help Afghanistan in group immunity by accomplishing the Redeployment Commandment Code:

Al 1 α wear burqa during all contacts!

Afghanistan will be free of CORVID 19 within 3 Weeks after completion of the code in Total Afghanistan!
