

Didactical BA40* Treatment: (*Brodmann Address 40)

This therapy is a healing and goes about inner questions with wrong or no any answer.

Brodmann Address 40 is the Brain section who handles all inner questions.

After a question vibrates inside BA40, BA41 & BA42 reactivates the by belonging answers.

(Only if you got such memorizes.)

The Healthiest human being is inside humans with no any or maximal one question in BA40!

The Therapy has a process time of 4 weeks and contains 4 steps, target 1 step in 1 week.

In the **first week** your mission is:

Write down in a table all your inner questions.

In the **second week** your mission together with a Didactologist** is:

Place The right Priority Before All question

Highest priority you must place before the question with answer you need to know before you can understand one or more questions with lower priority etcetera...

(** = Didactologist = Didactic to logic step table.)

In the **third week** your mission is:

To settle in your local library and use trusted Multi Media and Books revolved out of the right trusted teacher(s). Solve first priority question first & don't get out of course!

If you collected all answers led the table exam by your Didactologist.

In the **fourth week** your mission is:

Educate your self all questions with by belonging answers from Priority 1 to the last to past the exam***.

(***Your past the exam after you reach a human being with maximal one question inside BA40.)

If multiple question comes back in BA40, repeat the 4 steps of this treatment.
