

Installation God's-Kingdom Parliament Kingdome: "The Netherlands," Replacement of the First Chamber By The Experience Knowledge Users of The Referendum Tablet:

To install God's-Kingdom Parliament I present the main guide lines for replacement of the First Chamber:

- All Housekeeping's will be The Owner of a Dutch Referendum Tablet
 - The Referendum Tablet has the following targets: To Inform, to Debate & to Make Decisions over the acceptance of a Second Chamber Party Case in its Final State.
 - The Referendum Tablet Comes Free to your Housekeeping and is financed by the digital commercials and comes with the Forbid to Use Chloride Holding Paper for Commercials.
 - When you activated The Referendum Tablet all 18 years and older persons under your housekeeping must scan the front of your ID Card or PVC Part of your Passport.
 - The Referendum Tablet Comes with an Explanation Course and a Test where for you must pass exam to get your Serial Social Number Extended with the Status of Experience Knowledge User what is necessarily to participate with the Referendum Tablet.
 - The referendums that are presented by: "The Holy God's-Kingdom Council" on the Tablet and to anticipate with any Referendum you must have chosen same interests as the Party Case its Impotents & you got to active yourself as First Chamber Rightful Voter. When you do not chose for The Status Rightful Voter You one has to say so point will be annulated & will not have a Worthiness of having to say so point and so your annulated point will Not be counted up by any other Party of the other Possibilities.
 - When you inter a Final State of a Second Chamber Party Case there are multiple way's to be informed, than there is a possibility to Start Debating with other online users, You have as an activated User within a Party Case one have to say so point and you have the possibility to Vote for Acceptation or Vote For No Acceleration of the Second Chamber its Final Party Case State. If You Vote For No Acceptation you can fill in the Advise for Redeployment of The Second Chamber its Final State of a Party Case. Your Vote must be send to the First Chamber Server before the schedule ends on a defined date and time. Only all correctly Voted Votes will be together calculated up in a group "Yes" Accept and a group "Not" Accept will be presented Perceptual after the Voting possibilities has official ended.
 - The Holy God's-Kingdom Council Will set Tactical a unique Percentage to accept a Party Case.
- This are the straight first Guide-lines For the replacement of the First Chamber of God's-Kingdom Parliament of The Netherlands and further information will come in the future, If I will be Chosen as Mediator In name of my King I come to you as Lieutenant to explain from the basic steps till all is informed about what The Bible Has to explain under Verse God's-Kingdom Parliament and how to inform you all a possibility to rule the Country with Experience Knowledge People in name God.

Yours, the Mediator Installer of God's-Kingdom parliament Citizen Ready:
