

## Installation God's-Kingdome Parliament Kingdome: "The Netherlands," Replacement of the Second Chamber:

To install God's-Kingdome Parliament I present the main guide lines for replacement of the Second Chamber:

- Accept for 1 Free Settle, we now have 150 Stock Settles for a cabinet's period of 4 Years because of the fact that the inhabit population who have all one vote right each have not the supervision over the subject's of all party cases to rule in or out within the next for 4 year during cabinet the Voting Right so as written in the Democratic Law Form of The Netherlands will be to dismiss from the right that an adult citizen of the Kingdome the Netherlands have with rightful ownership of a Dutch Passport Or a 1/2 Dutch Passport.
  - For exchange comes 1 Stock Settle mend for the one and only rightful highest Judge Of Kingdome the Netherlands, the active Royal King or Queen of Royal Kingdome the Netherlands (confirm the Preface of the Dutch Democratic Law Books.) & 150 Free Settles.
  - A highest & holy declared council (the Holy Free Settles Council) will have there duty to call in the Help of 150 experience Knowledge in name of God as 150 Settle Holders this must be realized one Party case pro one Party case so every Different Title of Party case will have there unique formation of the rightful Settle Holdings called as 151 Settle together The Party Case {x} Cabinet.
  - To become the owner of a Parliament Settle you must join an association with have the same meaning and interest then the Party case to present yourself within an association as the true rightful experience Knowledge in name of God bi explaining your wisdoms & experiences to the association Council under lead of a Chairman all, members have one have to say so point for worthy Voting right. So only the chairman of the association Council Is in the possibilities to bring you forwards as Candidate Settle Holder within one Party case & the Holy Free Settles Council can choice based on the maximal information about every candidature the rightful Holder of a Settle within one Party case pro one Party case.
  - All Settle Holders will be send a God's-Kingdome Taxi from the address the Settle Holders can self decided to pick them up and to bring them return them to end address via God's-Kingdome Parliaments Cabinets Building where the got to arrive on Party case time schedule. The Cab driver will act as your personal Praise will he is your Cab Driver and it is the Praise of the Settle Holder to hand him at meeting point his Passport with Visa part With explanation of the Status of the citizen notated as Minister of Party Case {x}.
  - It may be possible in stat of physical being inside the same room of all Settle Holders of a Party case to stay decentred behind a audio visual communication connection so as the Holy Free Settle Council can Rule in and Realize.
  - All Information what is available for correct handling as experience knowledge in name of God will be send to you wide time length before the meeting with inclusive the Worthy Voting to Accept Or to Not Accept an End Status of a Party case.
  - To Official Acceptation or not accepted end status of a Party case must have 80% or more Worth of the total Votes of The 151 Settles.
  - When a Party case in end status is not Accepted than convene must be extended till there is a accepted solution of a Party case.
- {End of Main Guide Lines necessarily for rightful Voting right clausal to Install God's-Kingdome Parliament of the Royal Kingdome of the Netherlands.}

Yours, the Mediator Installer of God's-Kingdome parliament Citizen Ready:

"Lieutenant: "Marcel Alexander Roelfszema"."
