

Multi Vitamins Powder:

Uniquation Law

&

100% Every Daily Proportion Adult Multi Vitamins in form of 3 x 1 Hard Tablet is measured on an adult Male with the bodyweight of \pm 87 Kilogram. Now then all female with bodyweight of 75 Kilogram get so bi so an overdose when the swallow 3 Tablets Daily.

We must produce and consume Adult Multi Vitamins Powder.

This exacter worth of Personal EDP comes with 4 Tables for Males & 4 for Female:

- 1st Table Length versus Weight
- 2nd Table Muscle B.M.I. versus Fat B.M.I.
- 3rd Table Outcome Table 1 versus Outcome Table 2
- 4th Table Outcome Table 3 versus Age.

Outcome Table 4 is the exacter worth of your 100% Personal Every Daily Proportion (P.E.D.P.)

When we do this redeployment the cost of Multi Vitamins will be reduces with more then 33%.
