

Multiple Types Of Cancer Who Are All Relation To Mould Infection On Quark Level Of Period Element №16 S Sulfur:

Research Centre Uniquation.world has reached his Maximal in Calculations Possibilities on the Following Science:
We needed to steer The M.A.L.D.I. T.O.F. M.S. (spectrographic Microscope.) to proof the Definition in Practicum & not for the Proof of the Opposite of The Practicum proof that's considered as Proven in Theory: "2 Split Experience."

We alert the beekeepers surround the world with the following Briefing:
"The more into further future the more Mould Infected Sulfur in Flower Blossom Nectar."

Revolved out of Maximal Creative Human Being Knowledge revolved the following Definitions:

"Most found sugar inside Cancer Tumours: "Milk sugar"." &

"Inside Cancer Tumours the Most found E.M.* proton on quark Level inside = inside Period Element: "№ 16 S Sulfur."

* E.M. = Evolved into Mutated otherwise known as Evangelic** Mutated.

** Evangelic = Theology.
