Dear Peace Negotiator Recep Tayyip Erdoğan,

My name is Marcel Alexander Roelfszema, Citizen Ready Lieutenant Dutch Defence,
I noticed & in name God Johannes i need to handle the violations of: "Genocide Laws so as written in the Hoff," with revolved into the following vision,
on 1st of February 2022 it was to the President Of Oekraïne his need to accept the by the United Nation labelled non sovereign status of his Country,
By not accepting those United Nation fact it was from that moment to consider that act as violation of the forbid to misuse the white flag & so as written inside every democratic state's work contract of there democratic President clause the need to do everything in his or her possibilities to for-come all harming of international and national population and infrastructure, it revolved in thousand of deadly, mental & physical victims, where this is an act what is a violation of the written genocide laws,

The President of Ukraine travelled around the globe ask parliaments to do weapon dealss with Ukraine,
while it is forbidden to do any weapons deals with a by the United Nations labelled non sovereign state &
all weapon dealss with is an act that can and will course more death, mental or physical Victims.

All members of the parliaments who did after speeches of the President of Ukraine where he ask them to ignore written laws to for-come genocide who ended the speeches with doing a stand ovation and applause in stead of waving with a handkerchief so as mend as an advise to handle the with flag in such an situation have violated the forbid to misuse the white flag to.

The chain reaction of violating human rights and genocide laws need to be stopped,
sincerely i peace salute you with my both middle fingers to award my temples Peace Negotiator Recep Tayyip Erdoğan,
Please follow protocol the Hoff article 58 and I will stay in status world doctrine ready for you,

Peace Negotiator Sir Marcel Alexander Roelfszema.   So as written is published on uniquation.world
