

Redeployment of Education:

In the Redeployed Future of Education:

“All education needs a report & an Exam,” & all students got to reach:

“Higher than Number 8 out of maximal Number 10 for Report & Exam of all chapters within all education” to earn:

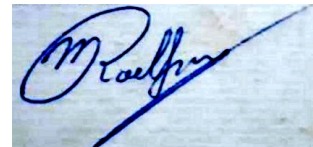

“The key to higher Didactical Learning way.”

21 Days before you will do an Exam on the Exam agenda date you must live in Your Report of the Chapter of an Education.

For The Teachers Maximal 3 Day to Check & Number the Report and to hand back the report documents and report materials.

The Number of the Report must be higher than an 8 out of maximal number 10 to stay on course to do the Exam on the 21st day after you lived in your report. If the Number on Report is an 8 or Lower than you have scored no key to the Class where the Exam will be confessed.

If you score for a time period of Maximal 365 Days lower than an 8 on Report and/or on Exam you will exit that education one chapter lower than the chapter where you did not reach the necessarily sufficient quality all higher Key for Higher Didactics will be annulated to reach within your Educational learning way. The Student Goes further with the Study cases where he or she reaches the necessarily sufficient qualities so the student goes further within the study cases and the bi belonging reachable Learning ways where he or she is explicit good in! When a student drops a case or revolving multiple cases His or Her Diploma Gets Notification of All Positive Numbers On all past Case chapters till the latest sufficient qualities what has been reach her out revolves all kind of unique Diploma's what can be the key to step in on a part qualification Chair by an employer. Or the diploma is the Minimal allow ness to start a Specific Company bi the graduated Student. This is The Redeployment that will take care of the multiple failures and accidents on business floors with meaning for all work contracts to consider all work contract as Contract where no any failure, mistake or accidents may overcome the company. To realize a perfect work ambient & most proffers for a company based on Zero Business Failures, mistakes and accidents.
