

The more types of sugar, the sweeter consumption, the less mass sugar.

United Kingdom Parliament almost activated sugar tax. Closely then the were rough bolder than the people who have real passion for healthy and tasty food.

Because I the one and only M.A. Beaker (Marcel Alexander), M.A. Beaker of GOD Boney Bakes bakes cakes for him in heaven with nine types sugars, yes ladies and gentelman the 9Th type of suger is: "Xelose," what i take out of wood token of a peeled branch of a moultless tree.

All Product Sold in UK supermarket & UK multy national supermarket must before 2010 have all 9 sugars inclusive All Products. With all my passion as: "M.A. Beaker," Yours: "Citizens Ready Lieutenant: "Marcel Alexander Roelfszema"."
