

## **World peace Step 3: "Criminal Relatives."**

### **Uniquation Law**

For those who have a friend or family member who is a criminal & you know than you must do his or her probation service until the probation service falls under the State or break contact other wise you will be involved whit in Criminal Relative Business.

If an opposite sees you as criminal relative and you are not then you have the right to engrave and you have the right to be represented by a: "Honour Leader."
